A. Introduction

These rules apply to all competitions organised and run by the BSAACT. All teams and players must abide with BSAACT rules and bylaws.

B. Player eligibility

Before playing in any competition organised by the BSAACT, a player:

- B.1** Should be a financial member of BSAACT, and
- B.2** Should have paid a 'player fee' for that competition, and
- B.3** Should have a handicap, grade, group, and/or target score approved by BSAACT.
(see exception under "competition set-up D.8" below)

C. BSAACT Membership, Registration, and Fees

- C.1 All team and individual fees are set by BSAACT and are to be notified at the time nominations are called for any competition.
- C.2 The BSAACT nomination form can be obtained from the website and will contain the banking details for fee payments.
- C.3 A draw will be posted on the BSAACT website prior to the commencement date of any competition.
- C.4 Once a draw has been posted on the BSAACT website, all nominated teams and/or individuals are considered to be part of that competition and should meet all eligibility criteria (see above).
- C.5 Only team or individual nominations submitted to the Competition Director prior to or on the advised Competition's nomination closing date, will be accepted. If any team or individual is not able to be included in a nominated competition, a 'team' or 'individual' fee refund may be given to that individual or team's nominated representative.

D. The Competition Set-up:

- D.1 A posted draw will include the start time for each competition round, the contact numbers of participating teams' representative, the starting targets, grades, or handicaps for each nominated player, the contact number of the Competition director, the contact number of a BSAACT Disputes and Grievances committee person, any local rules for that competition, and the procedure for lodgement of match score cards.
- D.2 Opposing teams may change the start time or the date for any scheduled match by mutual agreement, but have to notify the Competition director of such changes at least 1 day prior to the scheduled match date, and must play and complete the match in a single timeframe at least 2 days prior to the commencement of the next round.
- D.3 Teams will be formed by 2 to 4 players for Billiards and 6 Red competition, and 4 to 6 players for Snooker.
- D.4 Any 6 Red team must have at least 2 players to compete in a match.
- D.5 Other Snooker teams may play with 3 players but will forfeit 2 frames for each B grade and/or Handicap match and 1 game for each A grade match.
- D.6 Any billiards team must have at least 2 players to compete in a match.
- D.7 Once a competition has commenced, no team with the maximum nominated players may recruit another player but may call another player into the team once in every 'round' (ie. the team playing the other teams in the draw once) in an emergency.
- D.8 Any team experiencing shortage of nominated players for any reason, may use any player, not necessarily a financial member, for 1 match only in any full round of competition. If that player does not have an official handicap or target, then they must play off the lowest handicap, or highest target or grade, of the opposing team.
- D.9 Once a player has played two games/frames for their nominated team, they cannot change teams during that competition but may play 1 frame/game for another team of similar skill level, in that competition.
- D.10 No player may play the same opponent in 2 matches on the same night.
- D.11 No player may play for 2 teams in the same competition round.
- D.12 A player should have played in at least half the scheduled matches/games with the same team to be eligible to play in any competition final.
- D.13 It is the player's responsibility to obtain a handicap, target score, or grade prior to the commencement of any competition. They may obtain same with the assistance of their team captain or by approaching the BSAACT Handicapping and Grading committee.

E. Dress Rules.

- E.1 Players are required to play in neat and tidy dress, and in every case must abide by the dress and behaviour standards of the host club.
- E.2 Players playing in individual championships are required to wear a plain long-sleeved shirt buttoned at the wrist, dress pants (and/or skirt for female players), dress shoes and formal dress vest for all matches
except in any round-robin stage. A tie is optional.
- E.3 Players playing in team competitions are required to wear a plain long-sleeved shirt buttoned at the wrist, dress pants or skirt for females, dress shoes and formal dress vest for all **Grand finals**. A tie is optional.

F. Score cards.

- F.1 Only the BSAACT scorecard or its copy is to be used for the notification of match results.
- F.2 For B grade and handicap snooker the Home captain will place their players to play the first 4 frames on the scorecard. The Away captain will then fill the names of their players who are going to play all 8 frames.
Before the start of the first frame the Home captain will then complete their side of the scorecard.
- F.3 For A grade snooker the Home captain will place their first 2 players on the scorecard. The Away captain will then complete their side of the card, and the Home captain will complete the scorecard before the first frame commences.
- F.4 For all Billiards and 6 Red snooker the Home captain will place their first and second choice of player on the scorecard. The Away captain will then complete their side of the scorecard. Before the start of the first match the Home captain will complete their side of the scorecard.

G. Notification of Results.

- G.1 The Records Officer will update the ladder on the BSAACT website as soon as practicable, but no later than five days after the completion of any round.
- G.2 If the scores recorded on the website are not representative of actual results, captains may make a request for a review of the ladder to the Competition director no later than 2 weeks from the disputed score.
- G.3 Within 2 hours of the conclusion of a match, a good quality, high resolution photograph of the completed scorecard, is to be sent to the Results Officer by the 'home' captain. **Both** captains are to send
a SMS of the match result to the Results Officer, along with any dispute notification.
- G.4 At the conclusion of a regular season, the Competition director is to inform the representatives of the

teams that will compete in the finals if applicable to the competition, of their opponents and the location

and start time for each final at least 4 days prior to their commencement.

G.5 In the case where there needs to be a play-off for a finals position, the Competition director will instruct the necessary representatives of the procedure for determining the team(s) to advance. If this requires extra time to get a determination, all captains are to be advised.

H. Disputes, Protests, and Appeals.

H.1 If a dispute arises during a match, the referee should refer to the IBSC Billiards and Snooker Rules, and the BSAACT rules and bylaws in the first instance.

H.2 For Team competitions:

H.2a. Both captains should attempt to reach a conclusion to any dispute prior to the completion of the match.

H.2b. If a dispute arises that cannot be resolved on the night, the captain of the team lodging the dispute is to send a notice of dispute by SMS to the Results Officer within 1 hour of the completion of the match.

H.2c. Failing resolution, the captain of the disputing team is to contact the Competition director that night. If the Competition director cannot be contacted, the captain of the disputing team must;

1. Advise the Records Officer by SMS of a dispute.
2. Advise the Competition director by text message (on the night) that a dispute is being lodged.
3. Lodge a dispute by either text or email to the Disputes and Grievances committee, no later than 2 days after the conclusion of the match.

H.3 The committee will review the dispute and offer both captains the opportunity to present their case. It will then deliberate and reach a determination. This determination will be final and will be advised to all parties prior to the commencement of the next scheduled round.

H.4 In the case of a serious breach of the governing rules or protocols, notification of any such breach, defining the perceived details which has brought about the breach, is to be sent by email to the Competition director and/or the Disputes and Grievances committee who may impose a penalty or disciplinary proceedings against an offending player or team. Such penalty must be ratified by the BSAACT executive and can be appealed through the procedures laid out in the BSAACT constitution.

H.5 For Individual competitions:

H.5a. If there is a dispute that arises in the course of a match between players in any Individual tournament, the first attempt at resolution must be made between the players with the assistance of their referee.

H.5b. If that attempt does not resolve the dispute, the Competition Director, or if unavailable the room supervisor shall be asked to adjudicate.

H.5c. If the dispute can still not be resolved, either:

1. the match continues to its conclusion, and the dispute is brought before the Disputes

Committee for resolution (which may request a re-play, or declare the match abandoned [no winner], or award the match to one or other of the players), or
2. the match is declared abandoned by the Competition Director or the room supervisor. If this occurs, the players have the right to request a hearing in front of the Disputes Committee. Any abandoned match becomes a forfeit in the next round.
