

HOME team responsibilities during Covid-19.

1. PRIOR TO THE COMMENCEMENT OF PLAY.

- i. HOME team members (preferably wearing disposable gloves) are to remove all Club equipment from the racks & rests and place it securely under the tables.
- ii. HOME team members (preferably wearing masks) are to brush and block the tables.
- iii. HOME team members are to iron tables.
- iv. HOME team members are then to sanitize tables, including the rails, the pocket protection, the ball returns and the rest hooks.
- v. HOME team members are then to place BSAACT equipment in relevant places, and place balls ready for play to commence.

All the above activities are to be completed BEFORE the scheduled start of play. One point will be deducted from the home team score for non-compliance.

2. AFTER THE COMPLETION OF THE MATCH.

- i. HOME team members are to sanitize and dry all BSAACT cues and rests, and return them to the secure storage.
- ii. HOME team members are to sanitize and dry the match balls and return them to secure storage.
- iii. HOME team members are to return the Club equipment to its usual place and place the cover over the table(s).

One point will be deducted from the home team score for non-compliance.
